I hold my blue belt in Tae Kwon Do karate, I wrestled for seven years, I played football for two years, I pole vaulted and shot put for one year. I am good at horseback riding and have two horses of my own. I have been involved with rodeo for most of my life. Bull Riding has been my main event. I was a professional bull rider for four years but I have been riding for around ten years. A big interest of mine is the cowboy lifestyle. I also have a mechanical bull that can be used. I can drive motorcycles and four wheelers. I own and operate semi trucks and heavy equipment.
